Both teams are said to be in good condition, and lovers of the game will have an opportunity to see a splendid contest.

## BIG FIRE NEAR BUCKHANNON.

BUCKHANNON, Dec. 30.—Last night occurred a serious fire at Gould Postoffice, about six miles from this place. The store building occupied by the firm Young & Abbott and the dwelling of Mr. Young were practically destroyed, the loss being something over \$10,000, partly covered by insurance.

The fire was caused by the explosion of a lantern which had been left burning in the store room. The flames spread so rapidly that nothing could be done to save the buildings.

The Pirates had a narrow escape in the Jim Thorpe case. Manager McGraw of the Giants, in his haste to beat the Pittsburgh club to the Indian athlete, furnished the later with a five year contract, and now that Thorpe has proved a failure, both as a player and a drawing card, McGraw would like to get rid of him. This, however, is impossible because of the long term salary.

Bill Phillips, of Charleroi, manager of the Indianapolis Feds, is one baseball man who works without a contract. Bill says he hasn't signed since 1904. Since that time he has managed teams in East Liverpool, Wheeling, Youngstown, Steubenville and In-

In Coffeyville, Kan., yesterday, Walhe had returned to Owner Weeghman, of the Chifeds. Following Johnson's announcement that he had flip-flopped back to the Washington Americans, he said he would return the money advanced him, and he did so. President Gilmore, of the Feds, declared this money would not be accepted by him, but to date it hasn't been started back to Coffeyville.

Jack Curley, who is going to stage the Jack Johnson-Jess Willard affair in March, denies that Juarez, Mexico, has been decided upon as the battle ground. Curley avers that he hasn't been able yet to find a place, but indicates that the fight may be staged date probably would be March 6 or S.

This was requested because of the fact that the early part of the schedule is exceedingly hard, and that there is a hard game on the Wesleyan floor the latter part of the first week of school, that with Wheeling Y. M. C. A. on the Sth of January. Before up the team are to be picked as are the men who will make the trip East which calls for games with U. S. Naval Academy, Catholic University, Georgetown University, U. of Va., W. & L. and Charleston "Y," of this state. Since this trip is by far the most important on the schedule this year, the Wesleyan squad and followers feel that it is very important that the best showing possible be made in the East. So next Monday will see the Orange and Black tossers getting down to real work in preparation for the comreal work in preparation for the com-ing hard season. It will be a hard proposition to pick the best combina-tion out of these men, as there are so many of ability. Ten of the 1914 squad are back and six others have already shown that they are capable of making any of the old men step some to hold their places on the team or squad. In fact it is expected that there will be 20 men report to the coach next Monday, and every one of these men will be in the running for a place on the college five. But on the other hand a veteran five can be pick ed at Wesleyan this year, so it is assured that the 1915 Wesleyan team will be well up to the standard

BOSTON, Dec. 30. - The new grounds of the Boston National League baseball club in Allston will be the largest in the country in size and seating capacity, President James E. Gaffney said after a discusion of the plans by the board of directors to-

Forty thousand two hundred and eighty-four seats will be provided, he said. Of these 16,931 will be in a one story grand stanr so constructed that a second dock may be added later; 18.015 will be built in bleachers back of first and third-bases, admision to which will be 50 cents; and 5,336 seats will be provided to the right of center field for the 25-cent patrons. Center field limits will be 400 feet from the home plate and 460 feet from the grand stand.

There will be virtually no "sun field." The grounds will be laid out to face the northeast so that the sun glare will not be strong in any of the outfield positions. The playing field is to be sunk 15 feet below street lev al after the fashion of the Yale bowl.
